
Title: JOURNAL

Author: GARRET MOORE

Day 1: I arrived upon this
forsaken isle.

Day 3: Found the ruins
of an edifice. A tower?

Day 4: Need shelter.

Beginning to rebuild the
tower.

Day 7: Tower.

Day 12: Tower.

Day 21: Basic support
foundation almost
completed. Moving from
temporary shelter
tomorrow.

Day 29: Expanding tower.

Began research and
experiments to produce
livestock breeds for food.

Day 45: Tower complete.

Near miss with
experiments. Life soon, I
am sure of it!

Day 73: I have done it!

A combination of cells
that reproduce without
my assistance!

Self-sustaining life is not
far away!

Day 97: I am near the
answer, there is no
doubt. But there are
others who would see me
fail! They change the sky
to purple and hurl bolts
of lightning towards me.

Day 111: The others still
seek to thwart me! I
hear their voices

commanding me to cease.

I will never rest until I
am done!

Day 101: Again they come.

They have sent a
succubus to tempt me.

"Kiss me, kiss me," is all
she would say. "Nay" was
my reply. I will be strong
